

Bermerside  
~~DEAN GLOUGH MILLS~~  
HALIFAX.

Nov 10 1893

Wm H. Knight Esq  
Dear Sir

As my assistant Mr Redhill  
is invalided I write to acknowledge your letter  
of the 19<sup>th</sup> Oct & to say that I have given  
to a prior correspondent the refusal of my

3 1/2 Reflectors & Lense. I think it  
only right to inform you of this at once  
in order to prevent any disappointment.

Yours very truly  
Ed Crossley

Edward Crossley. - 1893

He gave the 36" inch reflector to the  
Lick Observatory.

England -
